3 ASSIGNMENT 1: PEER ASSESSMENT

MODULE: DIGITAL ARCHITECTURE, NINGBO UNIVERSITY

MODULE FACILITATOR: DR. MIA A. TEDJOSAPUTO

9 April 2021

Deadline of Assessment 1's peer review: the end of Week 13, 28 May 2020 at 11:59pm.

This document contains a brief idea of the peer assessment. Depending on the number of members, you will be reviewing one or two other group members. If you are in a group of two, that means you will be reviewing one person. If you are in a group of three, you will have to submit the assessment twice, one for the first member and one for the second member. Make sure you input the correct details of your group mates and your own.

The peer assessment gives chance to reflect on your collaboration practice, and it will be moderated to ensure fairness. Link to the online peer assessment will be communicated in Week 13.
