SCOPE OF CONCERN

Contemporary designs that incorporate sculptural, sensual qualities that are fundamental to the human experience of landscape.

DESIGN APPROACH

Creating place with landscape, not space

Layers: intricate layering

The way we move in landscape “The contemporary Picturesque Landscape”

Previously practiced as a fashion designer in Paris before she set up his landscape architecture firm in Paris for 17 years with Neil Porter. Some of her works were influenced by gardens in Versailles where she studied.

Among the first who explore landform and digital media.

Kathryn Gustafson

INTRICATE LAYERING

Personal concept, project concept

Program

Site/project goals

Client motivation

Nature, ecologies systems, designers systems

Site natural history, site cultural history

Budget and schedule

Public desires, public realities

Connections, humanity, site movement

Aesthetic goals, compositional integrity

Diana, Princess of Wales Memorial Fountain Hyde Park, London 2004

SCOPE OF WORK

Memorial park through competition

DESIGN CONCEPT

“Reaching out- letting in”

Strong influence of Princess Diana’s personality

In a historical site

She avoided an object where people sit around

Highlight digital realms in landscape
architecture

Scanned clay model, to create a rubber mold

Had to be closed for maintenance after the first
4 months of opening
